

Containerized BESS

Model: ZGE-CI-Z-2.5-5

PCS+Boosting System

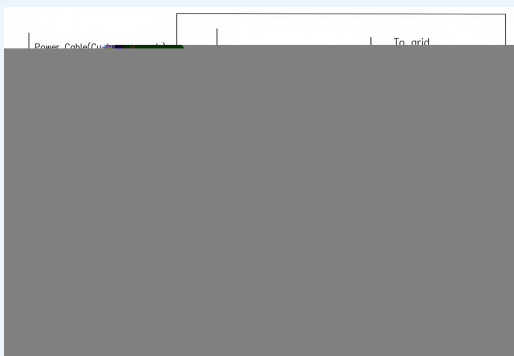

Battery System

Energy storage converter circuit block diagram

2.5MW/5MWh BESS Single-line Diagram

Features

Energy capacity	5 MWh
PCS+MV cabinet	12*21
Temperature control system	Liquid cooling system
Fire protection system	Gas fire extinguishing system
Monitoring system	24h monitoring
Protection system	Overvoltage, overcurrent, overtemperature, etc.
Installation	Simple and fast
Operation	Simple and safe
Maintenance	Simple and safe
Transportation	Simple and safe
Storage	Simple and safe
Disposal	Simple and safe
